

POSEIDON® SINGLE & TWIN BARGE PUSHER

- The Sea Bee Thruster pins to the barge using the same connection system, US Patent #8,327,789
- The Drive Unit Power Pack with Steering is located on the deck.
- Quick Disconnect VEP HH Threaded Couplings are easily connected & disconnected under pressure.
- Uses environmentally friendly Clarity Hydraulic Oil.

- Dual 2" Bore Prince Hydraulic Lift Cylinders allow for Height Adjustments to the propeller without any additional equipment supporting the mast.
- Kaydon Heavy Duty Turntable bearings for smooth, wear-free drive rotation.
- 24" Diameter, 4-blade Kaplan Style Propeller, manganese bronze, statically balanced with a Marine-Grade Stainless Steel Propeller Shaft.
